

BAYFIELD SCRAPBOOK RETREAT
APRIL 15-17 2011
Lake Side Pavilion in Beautiful Bayfield, WI

HAPPY NEW YEAR!

Sending greetings to all the faithful scrappers and to the first timers that are thinking of coming to our retreat in Bayfield, Fri. Sat Sunday, April 15, 16 & 17th, 2011.

NOW is the time to tell all your really good friends and relatives about this wonderful week-end in "Beautiful Bayfield" at the Lakeside Pavilion on the greatest of the great lakes "LAKE SUPERIOR"

Just to let the new comers know that we only have folding chairs in the pavilion, so you might want to bring a pad or even bring your own chair, like some of the scrappers do to be more comfortable.

Like last year, we are not providing bottled water. We have wonderful water in Bayfield so please bring your own container to put your water in. Our city is trying very hard to go GREEN. We will be providing coffee, tea, cans of soda, Bayfield apple cider and ice.

The Old Rittenhouse Inn has reserved space for our Scrapbooking group for Saturday night, April 16th at 6; 30pm. We will need at least 18 + people for this rate of \$30.00, (tax & tip included) for a 3-course dinner beginning with a tasty green salad served w/ fresh baked breads & garlic whipped butter. There is a choice of 3 entrees (fish, poultry, & beef or pork.) with wild rice & vegetable side dishes, dessert, a N/A beverage. Wine, beer & cocktails are available for individual purchase that night.

You can let me know when you make book your workspace if you are going to the dinner.

FYI. Book early; The B&B in the Arts Event in Bayfield is also the same weekend as our Scrapbooking Event so if you have a favorite lodging place you should book it. All lodging places should still have their off season rates, so check around. If you can come early, ask them if you can have an early check-in on Friday. List of lodging below.
